Department of Siddha Maruthava
Adipadai Thathuvangalum Varalarum

On 20.09.2024 - 22.09.2024

Our Students went for an Educational trip organized by our Department of Siddha Maruthava Adipadai Thathuvangalum Varalarum, Nandha Siddha Medical College and Hospital, Erode.

We started our journey at 3'0 AM clock by tour service bus and reached Palani at 7 AM. We visited Palani Navapasana Murugan sculpture and Bogar Samadhi. After that, we went to Srimad Bogar Pulipani Ashramam and met Dr Paneerselvam and Dr Kalpana Pulipani. They shared information about Pulipani Siddhar, and they demonstrated the preparation of "minsara rasam". We clarified our doubts with them. We have seen 300 years of textbooks written with the use of kadukai paal, and we have also seen navapasanam raw materials such as (rasham, thalagam, velaipaadanam, manjalpaadanam, mirutharsingi, veeram, pooram, rasachenduram), Pasana kattu, Linga kattu, Olaisuvadi visually. It was a great experience.
