On January 31, 2025, first-year medical students of Nandha Siddha Medical College and Hospital, under the guidance of the Department of Siddha Maruthuva Moolathathuvam, were taken on an educational tour to the Diamond Jubilee Scout Exhibition at Sipcot in Manapparai, Trichy district. The exhibition featured Tamil inscriptions, copper plates, ancient anjanakols (Medicinal Vessels), measuring instruments, palm leaf manuscripts, ornaments, and gold and silver coins. Our students visited the exhibition with great interest and gained valuable insights into these artifacts.
