

NANDHA SIDDHA MEDICAL COLLEGE AND HOSPITAL, ERODE-52.

FIELD VISIT

On 30.08.2024 & 31.08.2025
@ Keezhadi & Sathuragiri Hills, Madurai.

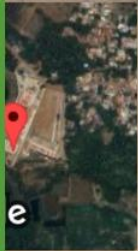

The fourth year students of Nanda Siddha Medical College and Hospital went on an educational tour to Keezhadi and Chathuragiri Hills on 30th and 31st August, 2024.

We realized that the Keezhadi Museum, which showcases Tamil heritage, was a monument to the rich lifestyle of our ancestors and their medical knowledge. No one is unaware of the glory of Chathuragiri Hills...! These two days, which included the full richness of Mother Nature and the blessings of our Siddhas, were filled with fresh memories of our journey.
