National Service Scheme (NSS)

“WORLD BLOOD DONOR DAY”

“Celebrating 20 years of giving: thank you, blood donors!”

To create public awareness on voluntary blood donation, we celebrated World Blood Donor Day on 23rd June 2024 at Nandha Siddha Medical College and Hospital, Erode-52. This would motivate the students to donate blood periodically and there by becoming part of an effective health care delivery system. Around 30 students donated their blood.
